

TIN COFFEE TABLE GROUP

Technical Data Sheet

TIN COFFEE TABLE GROUP

Designer: Alp Nuhođlu

With its elegant and dynamic lines, Tin grabs attention at first glance. Its melamine-coated body gives it a modern character, while its metal legs emphasize elegance, adding a unique spirit to any space.

EXPLANATIONS

METAL LEGS

The metal legs are made from 10x10 mm metal flat bars, bent in special CNC molds to create corner radii. The connection to the tabletop is made using 25x25 mm CNC laser-cut DKP metal connection plates. All metal parts are coated with a 90-micron thick textured (pebbled) electrostatic powder paint. The metal parts can be painted in any static color from the Zivella Metal Color Catalog.

WOODEN TABLETOP

The tabletop is made from E1 quality, 8 mm thick melamine-coated particle board, with all four edges protected by 1 mm thick impact-resistant PVC edging.

USAGE AREA

The Tin Coffee Table Group is designed for use in areas such as hotels, shopping malls, hospitals, office waiting areas, and it can also adapt to home environments. The warmth and comfort of its design aim to bring a home-like feel to offices, while also being suitable for home use.

DESIGNER / COLLECTION

The Tin Coffee Table Group belongs to the group of complementary table products and was designed by Alp Nuhođlu.
