

# UNIT WAITING GROUP

Technical Data Sheet

## UNIT WAITING GROUP

Designer: Alp Nuhođlu

Unit combines comfort and simplicity, perfect for use in waiting areas.

### EXPLANATIONS

---

#### METAL STRUCTURE

The legs are made from Q12 mm diameter transmission metal tubes and 25x5 mm metal flat bars. The legs are painted with a 90-micron thick textured (pebbled) electrostatic powder coating.

#### UPHOLSTERY

The Unit seat and backrest are produced in a monoblock form, made from 50 kg/m<sup>3</sup> density polyurethane molded foam. The connection to the metal frame is made underneath the seat.

#### USAGE AREA

The Unit series is designed for waiting areas in spaces like hotels, shopping malls, hospitals, and office waiting areas.

#### DESIGNER / COLLECTION

The Unit Waiting Group was designed by Alp Nuhođlu for the 2022/2023 collection.

#### MATERIAL LIBRARY

Zivella; you can access the wood, metal, fabric, and faux leather library using the QR code below.
