

BOLD SINGLE DESK

Technical Data Sheet

BOLD SINGLE DESK

Designer: Z Design Team

Bold work desks, thanks to their complementary elements, adapt seamlessly to minimal environments, offering practical spaces in offices, free from excessive design elements.

DESCRIPTION

TABLETOP / STRUCTURE

Bold desk tops are made from E1 quality, 25 mm thick, melamine-coated particle board. Impact-resistant 1 mm thick PVC edge bands are used around the edges of the desk top. The desk top and legs are joined using a 45-degree connection detail.

MODESTY PANEL

Bold modesty panels are made from E1 quality, 25 mm thick, melamine-coated particle board. Impact-resistant 1 mm thick PVC edge bands are used around the edges of the modesty panel.

ACCESSORIES

Feet: Height-adjustable bingo feet, made from hard polypropylene plastic with a 28 mm diameter, are used under the legs. Connections: The desk tops are connected using Minifix metal connection elements and plastic dowels. The 45-degree corner connection between the desk top and legs is made using the Lamello Clamex P Connection Fitting.

USAGE AREA

Bold Single Desks are designed for indoor workspaces such as offices.

DESIGNER / COLLECTION

The Bold Work Group was designed by Z Design Team for the 2022/2023 collection.

MATERIAL LIBRARY

Zivella; you can access the wood, metal, fabric, and faux leather library using the QR code below.
