

FORMA EXECUTIVE SERIES

Technical Data Sheet

FORMA DESK

Designer: Z Design Team

With its melamine and metal coating options, Forma provides the desired status for the space in which it will be placed. Forma is designed as a multi-functional furniture system: an eye-catching executive desk that can also be adapted for use at mid level executive.

DESCRIPTION

WOOD STRUCTURE

The desktop is made from E1 grade, 18 mm thick, impact-resistant PVC-coated chipboard with melamine coating on both surfaces. The frame under the desktop is reinforced with 95 mm deep, 30 mm thick, impact-resistant PVC-coated chipboard. The legs of the desk are made from 18 mm and 30 mm thick, impact-resistant PVC-coated chipboard. The front panel is also constructed from 18 mm thick, impact-resistant PVC-coated chipboard.

The body panels of the credenza are made from E1 quality 25 mm thick, melamine-coated chipboard. The doors and drawers of the credenza are made from 18 mm thick, impact-resistant PVC-coated chipboard. The drawer bottoms are made of 8 mm thick chipboard. To connect the desk and the credenza and manage cable transitions, an 18 mm thick chipboard connector box is used.

ACCESSORIES

The desk and legs are detachable. The assembly of the desktop and legs is done using the Lamello Clamex P Connector for 45° joining. The desk and credenza feet are equipped with snap-in plastic foot caps. The drawer slides are 40 cm deep, with telescopic soft-close rails.

The connection of the credenza doors is made with internal spring-loaded soft-close hinges from Hafele.

ELECTRIFICATION

The desk features an integrated electrification solution with a Socketline module, which includes 1 USB-A/C, 2 220V outlets, and 1 CAT6 module.

USAGE AREA

The Forma Executive Desk is designed for executive offices and premium workspaces.

DESIGNER / COLLECTION

The Forma Executive Series is designed by Z Design Team for the 2024/2025 collection.

FORMA CONSOLE

Designer: Z Design Team

A stylish option where simplicity and aesthetics meet...

DESCRIPTION

WOOD STRUCTURE

The console's panels are made from E1 grade, 18 mm thick, impact-resistant PVC-coated chipboard with melamine coating on both surfaces. The drawer bottoms are made of 8 mm thick chipboard.

METAL LEGS

The metal legs are constructed from 32 mm diameter, 1.5 mm thick DKP round pipe, welded with 5 mm thick DKP metal sheet. The legs are coated with electrostatic powder paint.

ACCESSORIES

The connections are made using M68mm diameter 10mm minifix metal connecting mechanisms and 832 mm plastic dowels. Each door features high-quality, spring-loaded soft-close Hafele hinges. The drawer slides are 40 cm deep, with soft-close telescopic rails. The lower covers of the console are fitted with 147 mm handles. Bingo foot caps are mounted on the metal legs, preventing direct contact with the floor.

USAGE AREA

The Forma Executive Console is designed for executive offices.

DESIGNER / COLLECTION

The Forma Executive Collection was designed by Z Design Team for the 2024/2025 collection.
