## DESCRIPTION

---

### METAL LEGS

The desk legs are made from aluminum material, shaped using injection production methods in special molds. They can be painted in any static color from the Zivella Metal Color Chart.

### METAL FRAME

The frame consists of profiles made from cold-rolled steel (DKP), shaped in special molds, with dimensions of 50x30x1.5 mm. They can be painted in any static color from the Zivella Metal Color Chart.

### DESKTOP

The desktop is made from 18 mm thick, melamine-coated particle board. It can be produced in all colors and patterns from the Zivella Particle Board Color Chart.

### MODESTY PANEL

The modesty panel is made from 18 mm thick, melamine-coated particle board. It can be produced in all colors and patterns from the Zivella Particle Board Color Chart.

### ACCESSORIES

Feet: Height-adjustable plastic feet with chrome detailing, shaped in special molds, with a Q60 diameter.

In round and square meeting tables, hanging cable channels are not used. Instead, a spiral cable channel can be applied.

Socket Cover: Two-way mini socket covers are used on meeting tables.

### USAGE AREA

The Mio Executive and Supervisor Desks are designed for executive offices and similar interior spaces.

### DESIGNER / COLLECTION
